### RESERVATIONS ARE RECOMMENDED

- Express check-in for paid customers
- Please arrive 60 minutes prior to scheduled departure
- Reservations will be held until 30 minutes prior to departure

**PAYMENT:** Credit card payment is required at the time of booking. Please have your American Express, Discover, MasterCard, or VISA ready when calling. Cancellations made less than seven days prior to scheduled departure will result in a \$25 service fee.

**SECURITY FEE:** A reasonable security and processing fee will be charged to each reservation.

**PETS:** Animals may be transported in the owner's vehicle or kept in a well-ventilated portable kennel on the car deck. Limited number of kennels are available free of charge; owners may also provide their own. (If animals are left in vehicle, windshield sunscreens are strongly recommended as well as a water bowl during warm weather.) No pets of any kind are allowed in any passenger areas, and pets are not accessible during the cruise. Service dogs trained to work or perform specific tasks for a passenger with a disability may accompany that individual.

**VEHICLES:** Due to security restrictions, vehicles are not accessible during the cruise. Vehicles will be loaded and unloaded for you by LMC personnel. Motorcycles must be secured with two tie-downs. Tie-downs are available for purchase if necessary. Security on the car deck is provided by Lake Michigan Carferry. The car deck of the S.S. Badger is secured during crossing and is monitored by surveillance cameras or Lake Michigan Carferry personnel.

**WEATHER & RELIABILITY:** S.S. Badger was built for year 'round conditions on Lake Michigan, and sails in almost all types of weather during her season. Every effort is made to sail on schedule and cancellations are rare; however, we are not responsible for inconveniences resulting from delays or cancellations that are beyond our control.

**HANDICAP ACCESSIBILITY:** A stair lift to transport wheelchairs and passengers needing assistance is available for boarding and disembarking. The wheelchair lift has a maximum 400 pound capacity. Passengers with motorized wheelchairs must ride the lift separately from their chairs. Handicap-accessible restroom is also available.

**MOTION SICKNESS:** The Badger's large size minimizes motion discomfort; however, if motion sickness is a concern, please consider using either a nonprescription (sold in ticket offices) or prescription remedy prior to boarding.

**SECURITY:** Lake Michigan Carferry reserves the right to inspect all vehicles, luggage and carry-on items frequently with explosive detection dogs. No personal coolers or containers with more than 3 oz. are permitted. Ticket offices, parking lots, staging areas, and the S.S. Badger are monitored 24 hours a day by surveillance cameras or security personnel. (LMC is not responsible for damage to vehicles left in parking lot.)
