The S.S. Badger is the last coal-fired passenger steamship in operation in the United States. She has provided a fun, reliable and affordable shortcut across beautiful Lake Michigan for more than 60 years.

Her unique, bold character takes you back to a period of time when things were simpler – offering valuable time to slow down, relax and reconnect with those you love. She is the continuation of a unique and vital maritime tradition, and we celebrate that heritage.

## Groups, Cars, Campers & Over-Sized Loads, **OH MY!**

Whether it's a family reunion, tour group, car club, or friends trip, the BADGER experience for groups is fun, affordable and packed with perks. Groups of **10 or more receive a discount** and bus drivers and tour directors travel for free. Groups receive itinerary assistance and a special host greeting. For more info and questions, please call: **800-841-4243**.

## Where the highway ends, a Legacy of Fun begins!
